

# Bug ID: BUG-01

**Title:** Composition filter option is not translated from Georgian when switching website language to English

---

**Status:** To Do

**Priority:** Medium

**Severity:** Medium

**Reported by:** Mariam Talakhadze

**Reported Date:** 08/28/2025

**Reproducibility:** 100%

---

## Environment:

- **Platforms:** Web / Mobile / Production
  - **Devices:**
    - ASUS Laptop VivoBook X515EA
    - Samsung Galaxy S20 FE
  - **Processor:** 11th Gen Intel® Core™ i3-1115G4
  - **Operating System:** Windows 11 Pro 24H2
  - **Browser:** Google Chrome v138.0.7204.101 (64-bit)
- 

## Precondition:

- Website language is set to Georgian by default
- 

## Steps to Reproduce:

1. Open the website: [www.website.ge](http://www.website.ge)
2. Change the website language to **English**
3. Navigate to the **Brands** section

4. Select the brand **LAETITIA ROUGET**

---

**Actual Result:**

In the search results filter, the “**Composition**” option is displayed in **Georgian** instead of English.

---

**Expected Result:**

In the search results filter, the “**Composition**” option should be displayed in **English** after switching the website language to English.

N/A (Screenshots or video can be added if available)

## **Bug ID: BUG-02**

**Title:** Only one delivery option is available in the “Delivery Information” section

---

**Status:** To Do

**Priority:** High

**Severity:** High

**Reported by:** Mariam Talakhadze

**Reported Date:** 08/25/2025

**Reproducibility:** 100%

---

**Environment:**

- **Platforms:** Web / Mobile / Production
  - **Devices:**
    - ASUS Laptop VivoBook X515EA
    - Samsung Galaxy S20 FE
  - **Processor:** 11th Gen Intel® Core™ i3-1115G4
  - **Operating System:** Windows 11 Pro 24H2
  - **Browser:** Google Chrome v138.0.7204.101 (64-bit)
- 

**Precondition:**

- User is logged in to the system
- 

**Steps to Reproduce:**

1. Open the website: [www.website.ge](http://www.website.ge)
  2. Change the website language to **English**
  3. Add products to the cart (e.g., **Adidas**)
  4. Proceed to checkout and fill in the address field with a **Tbilisi** address
  5. Expand the **“Delivery Information”** section
- 

**Actual Result:**

The website displays **only one delivery option** (Standard Delivery).

---

**Expected Result:**

The website should display **multiple delivery options**, including **paid delivery options with specified delivery time slots**.

**Bug ID: BUG-03**

**Title:** Product is not removed from cart when clicking the minus (-) button during checkout

---

**Status:** To Do

**Priority:** High

**Severity:** High

**Reported by:** Mariam Talakhadze

**Reported Date:** 09/14/2025

**Reproducibility:** 100%

---

**Environment:**

- **Platforms:** Web / Mobile / Production
  - **Devices:**
    - ASUS Laptop VivoBook X515EA
    - Samsung Galaxy S20 FE
  - **Processor:** 11th Gen Intel® Core™ i3-1115G4
  - **Operating System:** Windows 11 Pro 24H2
  - **Browser:** Google Chrome v138.0.7204.101 (64-bit)
-

### Precondition:

- User has at least one product added to the cart
- 

### Steps to Reproduce:

1. Open the website: [www.website.ge](http://www.website.ge)
  2. Add products to the cart (e.g., **Adidas**)
  3. Proceed to checkout and fill in the address field
  4. Click the **minus (-) button** to remove the product from the cart
- 

### Actual Result:

The product remains unchanged and is **not removed** from the cart.

---

### Expected Result:

The product should be **removed from the cart** when clicking the minus (-) button.
